## german-documentaries.de at DocFest Sheffield 2010

This year the DocFest will feature 3 Films "Made in Germany" in various sections of the festival.

A delegation of more than 25 German documentary filmmakers and producers will present their latest productions and new projects under the label german-documentaries.de at the MeetMarket. Details inside ...

The "German Documentaries 2010" catalogue features 200 brand new documentaries on a wealth of subjects in every imaginable documentary genre. Surely you'll find exactly what you're looking for. Ask for the printed catalogue or view it online at [www.german-documentaries.de](http://www.german-documentaries.de)

Please join us at the „Meet the Germans“ reception  
Thursday 4th November at 6.30 p.m. at the Penelopes.

### Arbeitsgemeinschaft Dokumentarfilm

Thomas Frickel  
Schweizer Str. 6, 60594 Frankfurt a.M.  
phone: +49. 6142. 966. 033

url: [www.agdok.de](http://www.agdok.de)

The German Documentary Association AG DOK is the largest professional association of independent producers in Germany, numbering more than 850 members. It is first and foremost a film and media lobbyist for the documentary genre, but is open to representatives from all film genres.

German-documentaries.de is the international label for the promotion of German documentary films abroad.

An initiative of the German Documentary Association AG DOK and German Films Service + Marketing GmbH.

German-documentaries.de presents German non-fiction films at international festivals and markets, and organizes co-production meetings and film series.

The "German Documentaries 2010" catalogue features 200 brand new documentaries on a wealth of subjects in every imaginable documentary genre. Surely you'll find exactly what you're looking for. Ask for the printed catalogue or view it online at [www.german-documentaries.de](http://www.german-documentaries.de).
