14. Ayres in Tabletorie to the Lute

1598

## 19. Slie theese if so you will beleue.

Slie theese if so you will beleue  
It nought or little did me greeue,  
That my true hart you had berest,  
Till that vnkindly you it left,  
    Leauing you lose, losing you kill  
    That which I may forgo so ill.
