## AYRES

1609

XX.

Third Part

**Yes were the loues** or false or straying,  
or beautie not their beautie waying,  
But here no such deceit is mixt,  
their flames are pure their eyes are fixt,  
They doe not warre with diffrent darts,  
but strike a musicke of like hearts.

From:  
Ben Jonson  
*Masque of Beauty*
