## 3. She straight her light. *The second part*

Shee straight her light greene silken cotes vp tucked  
And May for Mill and Time for *Thersis* plucked,  
Which when she broght hee clasp't her by the middle,  
And kist her sweete but could not read her riddle,  
Ah, foole with that the Nymph set vp a laughter,  
And blusht, and ran away and hee ran after.
